

Pioneer District Chorus Champion Pin Order Form

Any chapter that holds a District Chorus Championship from any year is eligible to order the new chorus championship pins that will be awarded to the next chorus champions in 2010. You are responsible to figure out the names of your members that were on stage the day you won the gold and you are then eligible to order pins for those members.

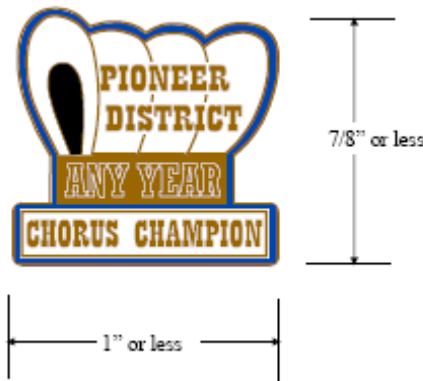

In the future the chorus champions will be awarded a number of pins equal to the number of men appearing on stage at that contest. NOT one pin per chapter member. It is then, only fair that you order pins for those individuals that helped secure your prior championship.

For your convenience the past twenty five champions are listed to the right. (Looks like those guys from Grand Rapids might need 300 of these things) the pins will be available at the Spring convention in Kalamazoo. The District will be ordering the pins soon so we need to hear from you.

Where the sample pin says "ANY YEAR" you can have the correct year engraved by your local engraver at your expense. That cost is estimated to be between \$1 and \$2 each to engrave them.
