# Cadillac

## Old Friends in a New Light!

Let's assume you've known them for some time. And now—in the moment of a glance—you first behold them in the company of a Cadillac car. There's just no question about it... something wonderful happens! For the presence of a Cadillac car underscores—and most dramatically so—many of the things that enable you to think well of them. And incidentally, you may have noticed, of late, that the Cadillac car has cast its revealing light on an ever-growing number of your own friends. For the Cadillac car represents an unusually sound investment. Your Cadillac dealer will be delighted to tell you the whole story at any time.
